Dear Colonel Knight:

On behalf of the Daytona Beach Police Department, please accept our thanks and appreciation for the assistance rendered by your personnel during Speed Weeks 2005.

I would especially like to commend Captain Robert Duncan, Lieutenants Kevin Vaughn and Anthony DiPace and the Troopers under their command for their assistance with the pre-planning for all race events. With the assistance of such quality personnel, whose job performance was nothing short of excellent, this year's event was another success. Your Officers responded to our needs with the utmost in professionalism, courtesy and dedication to getting the job done. In working together as a team, we have reinforced an already exceptional working relationship with your Department that will last for years to come.

Again, please accept my sincere thanks and, should the need arise, feel free to call upon me for any assistance that I may be able to provide to you or your agency.

Sincerely,

  
Dennis M. Jones
